

# PEORIA TRI-COUNTY WHEELERS

## CENTRAL ILLINOIS BICYCLISTS

FROM  
PEORIA, TAZEWELL, AND WOODFORD COUNTIES

PEORIA, ILLINOIS

SEPTEMBER - OCTOBER 1971

### Schedule of Rides

SUNDAY, SEPTEMBER 26  
7:30 a.m. Jubilee Park

This is the 50 miler! After a full summer's riding most of you should be good enough shape to make an easy 50 miles. This will be a leisurely ride beginning at Jubilee Park and riding to Princeville, Toulon, and back. The ride will be along rolling country roads so traffic shouldn't be a problem--but plan on spending most of the day 'on the road.' You can bring your lunch, but we will stop at a restaurant in town if you don't want to bother.

Children are welcome, but if under 16 they should be accompanied by an adult. Have your bike in top shape before the ride so you don't have to make any repairs or adjustments before the ride begins. Of course there will be unavoidable troubles so a 'sag wagon' will accompany us to assist with repairs and to pick up riders without enough steam to finish the entire ride.

If you want further advice on the ride or need a lift to Jubilee, call Joe Mugavero at 685-6608.

-----  
SUNDAY, OCTOBER 3  
8:00 a.m. Mossville Grade School

This is a repeat of an old favorite ride--the OLD GALENA ROAD, CHILLICOTHE, and ROME river ride! This ride is less than 20 miles and should be completed before noon--even with stops in Chillicothe for refreshments and a snack along the river.

-----  
SUNDAY, OCTOBER 10  
8:00 a.m. Metamora Courthouse

This ride was rained out Sept. 19th. Lee Patchen is familiar with this area and we hope he'll be able to lead us on this 26 mile route. This is a scenic area, so bring your lunch and a drink and have a leisurely ride.
