Park Maintenance Building (far northeast corner of park)

## BRING

Your bike ... you know ... the one with the limpies, gimpies and stickies, for a rundown on maintenance and to get answers to other weird problems (about bikes).

## BRING

Solvent pan and parts' trays (cut off plastic gallon jugs), rags, drop cloth - also whatever tools you have. (We will have a limited quantity of special tools.)

Any parts you know you will need, please get ahead of time - we will try to have some - bearings, cables, etc.

## FLEA MARKET

Also -- bring good bicycle junk you wish to sell or swap. List items on paper so they can be posted for ease of shopping. If you want some items, list those also.

## BRAIN POWER

We will have some of the best "bike-heads" in the area to help.

## MEETING

At or about 3:00 p.m. we will have a general meeting. Bring! or Send! ride ideas. We will have sample jackets to verify sizes ordered.
