'Nother successful Insomnia Ride - thanks Carrol S.

Picnic: Good turnout (not great but good) beautiful evening (and a great setting thanks to Dorothy B's suggestion.)

Tremont Turkey Trot: Great day (a little windy) a few hardy riders enjoyed a fine ride, (three there from Bloomington).

St. Jude: Best riding day of the year. Fair turnout for our first try. This could be a great Club ride for next year. Think we should issue a challenge to all clubs thru LAW bulletin for '76. Our top money riders were J.W., Bill O., and Jack W.

Lowlights:

Bad press release on St. Jude ride. Results were not properly tallied - we actually accounted for about \$1,000 in pledges.

Trailer: Frame is welded up and finished, but, will not have time to install required hardware. (Should be a good winter project).

Turnout: Dwindling down to 10 or 12. Is this normal or should we be doing something else - if so why isn't someone bitching?

Rock Island Trail: Now having legal problems! Bring any trail slides you have to prepare a program we can present to Kiwanis, etc. Put your name on them.

Meeting: October 23, Glen Oak Pav. Need much "input" on above items and to get in gear for next year.
