NEW OFFICERS-"1984"

L-R, Roberta & Kevin Duke, Phil England, June Cowan, and Linda Carr

New officers were elected at the November 19, 83 pot luck awards meeting at Groveland, Il. (Northern Oaks Clubhouse). A REALLY BIG time was had by all present. The food was great & refreshments were aplenty. Bob Jones, out-going Vice President passed out door prizes (many donated by YOUR favorite bike shops).

You would NEVER know that the weather was Terrible by the good times going on inside. About 70 persons were present while out-going President, Diane Ziegler, passed out special awards to those who worked in behalf of the I.V.W. this past season.

If you missed this party...shame on you!!!

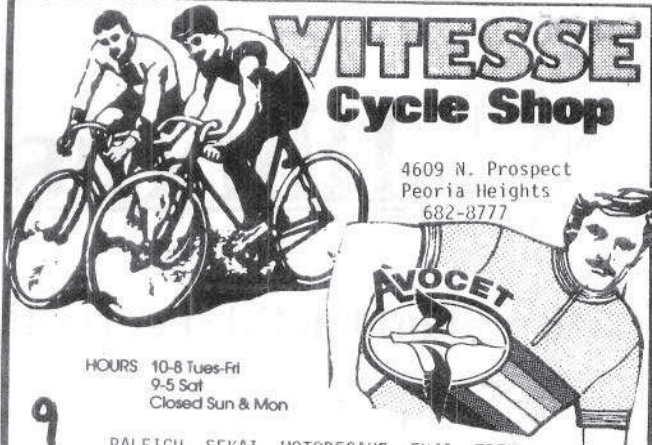

JANUARY 26th Meeting: Special "Swap Shop" at 6:30pm. so bring anything you want to sell, and some cash to purchase some goodies at real great prices. Then the PROGRAM for the night will be given by Joe Russell, "BIKE MAINTANENCE". This will begin at 7:30pm.

FROM the Desk of the PRESIDENT:

I hope that everyone has a GOOD Holiday Season. I wish to Thank everyone from last years Executive Committee for their efforts & support. I am looking forward to this year for older members & new riders coming out together. Our first E.C. meeting went great, the people there all contributed greatly to form some ideas & plans. We need to appoint a chairperson for the point system which Diane Ziegler took upon herself in 83 to keep record of the points received by the members for riding, holding office, running a club ride or helping in other ways. The winner of this gets the "broken saddle" award. This will be a good thing to continue so if you are so moved to come forward, (please call me) and lend a hand. Diane has all the information on how she kept her records on it. If you have ANY suggestions, please contact Kevin & Roberta Duke, Linda Carr, June Cowan, Ken Kiley or myself, we will listen to anything you have to offer. We want to see the inexperienced & the old pros come out & ride. We are going to appoint a committee to help the slower riders to be better. Some of you 52-13's out there give us a hand. "To give is to GET". *Phil*

P.S. Rumor has it that a certain John Wellwood rode the Vitesse Wednesday night roller ride 29 miles in one hour, Incredible!!!

Crank Mail:

Dear Editor:
I have recently taken up bicycling & have a couple questions about certain aspects of the club. Maybe you or someone could help me.

Example:
Why does a bicycle have a "bottom" bracket but NO "top" bracket?
Is it true that riders from Washington wear "Campy" underwear?
Is it true that cycling causes divorce?
Is one Groveland resident swimming at the "Y" training to be the 1st person to bicycle the English Channel?
Why do most working people own "best buy" bikes & college kids can afford "super record" equipment?
Is it true our clubs past-president didn't ride the HILLY-100 because she doesn't like to ride in the rain & get those squishy worms on her legs?
Isn't a "seat stay" really a girdle?
yours truly,
susie skinshorts

L-R, Bill Stevenson, Diane Ziegler, and Denny Tresenriter
Bill received a plaque for chairman of the IVW metric-century,
Denny received a plaque for chairman of the IVW century.

Diane received a special award as out-going president, she received a "Campy" wine bottle cork remover. It was noted recently that she was in need of such an item to add to her touring gear.....
