JUNE MONTHLY MEETING

(June 28th, not the 21st as was in last news-letter)

The topic of the June IVW meeting will be Steve Weast's Trip to California. He will show slides and tell us all about his fantastic trip cycling in the land of glitz and glitter and cactus and weirdos. The June meeting will be held as usual at Safetytown on **June 28th** starting at 7:30 p.m. IVW Board of Directors meeting always precedes regular monthly meeting at 6:30 p.m.

REQUEST FROM WILDLIFE PRAIRIE PARK

It seems that a number of bicyclists in our area have been abusing a privilege by getting into Wildlife Prairie Park to use the Restrooms and then staying for a longer period of time than is legit. The Administration of Wildlife Prairie Park has had to make the following policy: when bicyclists desire to use the restroom facilities at Wildlife Prairie Park they present their drivers license to the gatekeeper and they have 15 minutes to use the facilities and vacate the park. If the cyclist does not vacate the park in that time, they will be charged the usual fee to enter the park upon getting their license back. If you don't carry your license with you, you will not be allowed to use the facilities. Let's hope no one from the IVW is abusing this privilege, it could ruin our good relationship with Wildlife and the need to continue this relationship for the future of the "Ride on the Wild Side". Let's support W.P.P. not abuse it!

PEDAL IN A HUGE SUCCESS

The 1990 "Ride on the Wild Side" or Pedal-in, whichever you decide to call it, was a huge success. The rain generally stayed away, but the wind was ferocious and persistent (45 mph gusts). To those riders who rode the century, you need a medal. Anyone who would ride about half the ride in granny gear deserves a medal. We had a lot of good comments about the ride, especially from a group of riders from the Champaign area, who are used to a hill having an interstate highway running through it. They thought this was great, and when we told them about Diane's Ride in August, they said, they'll be here! I would like to thank all of the members who graciously donated time and work to help make this ride a success. We had a lot of new members get involved and it was very rewarding. More to come later about "Ride on the Wild Side".

In addition to the above mentioned special events, the following groups offer bicycle tours throughout the cycling season. Also, I have a copy of Bikecentennial's "Cyclists Yellow Pages" which lists cycling resources worldwide...call me for details. Eric H.
