## Tailwinds – Mike Honnold – IVW Prez

Hello – let me start by giving a giant “Thank you” to all IVW members for a wonderful first No Baloney ride under my leadership! The ride went better than I ever anticipated, and I couldn't have asked for a better group of people to help me out as I struggled to comprehend what the day would be like.

To be truthfully honest, the day of the ride was the least stressful time I'd had involving No Baloney over the past few months. I think this was due in part to seeing all the hard work and late evenings come to fruition. Once I put away the last thing in the storage unit on Sunday afternoon, and returned our rental truck to the realtor, I finally was able to take a deep breath, take a step backwards, and comprehend what just happened! Despite the foggy start to Saturday morning, we had the usual early rush of riders at 6:30 who wanted to get on the road early to complete their 100 or 75 mile goals.

Many people held off for a little while to let the fog clear off to a safer level. Luckily, we had plenty of breakfast food, coffee (high-test, of course), and other treats out on the tables by this time to keep all riders happy and satisfied! By the time lunch rolled around, the fog had cleared, temperatures were cool, but an overcast sky made us a little nervous as the rain clouds we were watching on someone's Iphone might make their way over to Jubilee. Rain was obviously not on the riders' minds because most of the 75 & 100 mile riders were coming in from their first 50 mile loop, and looked hungry enough to eat Rob Alexander and Fred Smiser out of every chili ingredient they'd brought with them! Most riders finished up their planned mileage for the day, and were out of the park by 4 P.M. Thankfully, Jim Tucker at Jubilee left the gates open a little longer past their usual closing time to let the last few stragglers retrieve their cars, and head home after a tiring day. Volunteers were able to clean up the park shelter and course by 6 P.M. As a final good-deed to the day, I delivered our abundance of left over food to South Side Mission in Peoria. They are always happy to receive our extra food from the day to feed those in the area who are less fortunate. As a final tally, we had a total of 273 riders participate in the event on Saturday – 168 of those signing up on Saturday morning. 33 pre-registered people were not able to show up for various reasons, which would have put our total up over 300 riders! Amazing!

As far as past history goes, 2009 proved to be right up there with our more successful years. You never know what's going to happen until Saturday morning, and thankfully we've been blessed over the past few years to hold a successful event, and raise some money for local bicycling advocacy.

Please pencil in September 25<sup>th</sup>, 2010 as the date for next year's No Baloney. We have a few possible changes up our sleeves – new route, new starting location, new food, new logo.....keep watching future newsletter for updates and information!!!!

Now – the Thank You's!!! If I happen to forget anybody in the thank you section – it was not done on purpose. Many people help out during the ride – sometimes namelessly – and it's hard to capture everybody!! Please thank those individuals with your words, and businesses with your dollars!!

### Annual Dinner and Year-End Club Meeting

By Mike Honnold

On November 21, we will be having our annual dinner and club meeting at Kenyon's Place in Lacon, IL.

Kenyon's is located on Route 17 East (1217 5th Street). Cocktails will begin around 5:30 P.M., and the meal will begin at 6:30 P.M. Club members will be responsible for purchasing their own meals and we will be ordering off the menu, like usual.

Once the meal is underway, we will hold a short meeting to take nominations and vote for most Improved male/female riders, and Hub of the Club.

In addition, we will also be giving away our new award for most miles ridden in an "abbreviated" year. Please also be thinking about a couple of positions we'd like to fill for the club - No Baloney Chairperson, and Ride Coordinator.

I do not mind coordinating the No Baloney ride for another year, but if someone else is chomping at the bit to help the club, I'd be willing to step aside and let them shine.

**Please RSVP for the annual meeting** by calling Sarah Emmons @ 309-246-2166 before November 14.

If you have any nominations for one of our club awards, please call or e-mail any IVW board member. Nominations will also be taken the night of the event.

### Mileage Competition Update

By Mike Honnold

Things are really heating up as we go into the homestretch for this year's IVW Mileage competition. Edith Albright is ahead of the field by a comfortable margin, but Dennis Tresenriter is only a few good centuries behind. It will be very exciting to see who gets to the finish line first! Because we must award the highest-mileage person at our November IVW Meeting in Lacon, the last mileage participants can report will be from October. The next mileage competition will start with miles from November 2009, and last until October 31, 2010. If you have been watching the competition with envy this year, please join the fun, and throw your hat into the ring! Who knows - maybe the competition will inspire you to go for 2,000 miles next year instead of the usual 1,000 miles!! Please contact Mike Honnold at 696-2591 or cannondale\_25@juno.com if you would like to join up!

### Sugoi Clothing IVW Club Discount

By Mike Honnold

Who doesn't like a good deal - especially when it involves saving money in these economic times? I have been in contact with a representative from Sugoi clothing over the past few weeks regarding a possible club sponsorship/discount. If you do not already know, Sugoi manufactures high-quality active wear clothing for the cycling, tri, running, and skiing markets. Their clothing is very high quality - I am still using a pair of cycling tights I bought from them 8 years ago!

In order to widen their presence in the marketplace, Sugoi is offering cycling clubs across the United States a sizeable discount in return for posting a Sugoi logo and weblink on the club website. After talking over the discount and terms with our board members last Wednesday evening, we decided to accept Sugoi's offer.

IVW club members (those in good standing as far as dues go) can now purchase anything off the Sugoi.com website for 50% off the posted retail price. This discount can be used as many times as you would like, and can even be applied to discount merchandise. I have already purchased a few items myself, and was amazed how much money I was able to save!

If you are an IVW club member in good standing and would like to take advantage of this discount, please send me an e-mail at cannondale\_25@juno.com. We cannot post this discount code in the newsletter or on the website, since those sources of information are available to anybody with access to a computer. Our hope is this code will entice more people to join our club - and keep those who are already members. In addition - if we ever decide to do another IVW club jersey, Sugoi will offer us a sizeable credit toward our order!

### IVW Monthly Social

By Mike Honnold

Please join Bill Clark and me at Rhodell Brewery for a monthly Friday social (last Friday of the month). Topics of conversation will vary, but I am sure they will mostly be concerning bicycling, or bicycling-related activities. This is strictly a show and go event.

### End Of Year Adopt A HIGHWAY Clean-Up

Assuming the weather cooperates, we will be having our last Park School Road clean up for the year on November 14 at 10:00 AM. We meet at Not Your Average Joe on 2<sup>nd</sup> Street in Dunlap a little early to have some of their delicious coffee and visit with other Wheelman. Besides, you might need the coffee to warm you up.

Bring gloves; (vests and orange bags will be provided.) We will pick up litter on the two-mile stretch of Park School Road between Rt. 91 and Feuchts on both sides of the road. This usually takes about an hour. I do appreciate how faithful some of the Wheelman have been in helping with this task each time.

### Extra No Baloney T-Shirts

By Mike Honnold

T-Shirt sales were successful at No Baloney this year, but we still have a few left to sell before we can officially break-even on the business venture. If you were not at the ride, this year's T-shirt was a short sleeve, technical fabric design printed with our wonderful No Baloney logo on the front - drawn by club member, Dennis Sans. On the rear are logos of local bicycle shops who sponsored printing the t-shirts so we would have them available to sell at the ride: Russell's, Little Ade's, Bushwhacker, Illinois Cycle, and Vitesse Cycle. Shirts are 25 dollars, and are still available in the sizes of large, medium, and small. We even have one extra-large shirt left from 2008 for 15 dollars if you forgot to purchase one then - a true collector's item! If you are interested in purchasing a shirt, please contact Mike Honnold at 309-696-2591, or [cannondale\\_25@juno.com](mailto:cannondale_25@juno.com)
