The last article I wrote was about the Spring Break Out ride on April 21<sup>st</sup>. It was 40 degrees that day. Now, two months later, I am writing the July Newsletter with awesome tan lines (that's a sarcastic "awesome") and wishing that I did not have to work during the summer. So since I do not have summers off, I have been having a lot of fun on the weekends. This last weekend, I had a blast at the Multisport Extravaganza at Wildlife Prairie Park. Have you heard of the Multisport Extravaganza? It is an adventure packed weekend for the entire family.

On June 23<sup>rd</sup>, the Multisport Extravaganza took over Wildlife Prairie Park with tents, bicycles (road and mountain), canoes, kayaks, food, and drinks. It offered everything the park has to offer for adults and kids. The park has a nice and quiet lake where adults and kids could kayak, canoe, or swim. There was a kayak and canoe lesson at the beginning of the day for those who might want to know what to do if they get tipped over in the water.

Wildlife Prairie Park also has trails for mountain bikers and trail runners. As you could see from my picture, I learned how to mountain bike. It was super fun and I cannot wait to do it again!

Orienteering! I have not been very familiar with this sport until this year. I have been hearing a lot about adventure racing and orienteering... the Multisport Extravaganza gave everybody the chance to get familiar with a compass to navigate point to point.

They even had volleyball and yoga!

I am not sure what our readers and members like to do, but this reminded me a lot of my childhood days of being outside all day. So if this sounds like a fun time to you, check it out and save it for your calendars for next summer.

(Website: <https://sites.google.com/site/multisportextravaganza/>)

I hope everybody is enjoying their summer as much as I am.

This program is designed to provide children with special needs, ages 8 and older, an opportunity to lose the training wheels and ride a bike. No experience is necessary, but volunteer spotters must be at least 16 years of age. Volunteer spotters will walk/run along the child's side providing encouragement and support. Be prepared to be swept off your feet while you watch children and young adults experience a new found freedom and sense of accomplishment.

## OUT-OF-THE-BOX TOURS

Out-of-the-Box Tours are ready to start. Hope you are ready to join us! We want you if you are looking for a different route, a different crowd, a ride that leaves you neither exhausted nor feeling short-changed – and if you like to smell the roses (or dandelions) along the way. The pace will be Level One, no one will be dropped, and Cora Lynn Green and Barb Drake will be your leaders again, with a little help from our biking buddies. Note: We've added a couple of Saturday rides in hopes of drawing our working friends.

One special weekend event to put on your calendar now: Barb's Birthday Ride on Oct. 6 along the Great River Trail on the Mississippi. If there is enough interest, we will make that a full weekend event, traveling both north and south.

More on that later, but check out these plans now:

**July 6: Morton Castles and Cathedrals.** Ken Pope will lead us past some of Morton's better-known castles (5 bedrooms, 10 baths, 25 acres) and cathedrals (seven and counting) on this 32-mile ride that goes partly on roads and partly on a paved trail. He promises a running commentary and lunch at Mel's Café. The ride begins at 8:30 at the start of the Morton-East Peoria trail at the corner of Detroit and Jefferson in East Peoria (entrance on Jefferson).

**July 21: Jubilee and Winery.** We'll meet at Jubilee State Park at 8 and head south toward Hanna City. After an approximately 40-mile ride, we will have lunch at the Kickapoo Winery. This is a hilly, challenging ride in parts but really beautiful and one of our favorites.

**Aug. 3: Jane's Ride.** Jane is LaVerne Wilson's friend; a couple of years ago, she introduced a few of us to

this extraordinarily beautiful route, with rolling hills, lots of shade and new scenery. It's 50 miles long, and that's ambitious, but you should have your biking legs by August, right? We'll meet at 8 a.m. at the Morton Soccer Field at the corner of Jackson and Tennessee in Morton and visit Tremont and Hopedale. We'll stop for snacks and a breather along the way and eat in Morton when we return. LaVerne will lead.

**August 15: Tanner's Orchard Ride.** If it's late summer, it must be time for a ride to Tanner's for samples, cider, donuts, lunch and apple-orchard ambiance. We'll meet at 9 at Pearce Community Center in Chillicothe. The ride will be about 35 miles.

**Sept. 14: Sand Ridge and Manito.**

**Sept. 21: McLean County Parks.**

**Oct. 6 (and possibly Oct. 7): Barb's Birthday Ride**

**Oct. 19:** Checking out the options.

Let Barb (692-1201, [bdrake@mtco.com](mailto:bdrake@mtco.com)) or Cora Lynn (683-3083, [cora\\_lynn@yahoo.com](mailto:cora_lynn@yahoo.com)) know if you plan to show up for a ride. That way we can let you know if weather requires cancellation or a change in start-up time.
