PREVIEW! PREVIEW!

## From the Editor

In conjunction with Diane's Ride on August 2nd the I.V.W. will be having its Annual Picnic. I.V.W. members are to bring covered dishes, salads, veggies, desserts, etc. to feed the club members and extras for Diane's ride riders. The club will provide Meat, non-alcoholic drinks and table service. R.S.V.P. what you are bringing to Val Jones or Ron Matuska MORE TO COME LATER!

### ABOUT GLEN AND MARTY

Got a card that said, Hills are fun (Bill Semmens really does know what's fun), the wedding is still on, Marty can't seem to talk going up the hills, She also wants a 16 tooth granny gear (I exaggerated a little there). As of June 23 they were in John Day, Oregon and moving east. Rumor has it that Glen sprained an ankle even before they started! Good Luck G & M We're thinking of Ya!

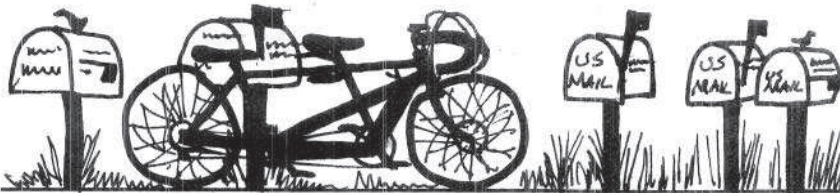

### ABOUT RON MATUSKA

Got a letter full of directions and saying that he turned a 380 mile route into a 580 mile route. Is going to rest in East Lansing at the L.A.W. convention a few days before moving on to Canada and the East. Was experiencing a thunder storm and holed up in the tent, so he wrote a letter. Good Luck Ron!

### The Bull

The other day while riding to Bloomington I gazed ahead to see a field on my right with the cows and recently weaned calves munching on the tender shoots of Illinois grass. On my left I gazed upon a rather large Bull of the same black breed eating a rather small tree. As I approached my feeble mind told me that the bull was not enclosed by a fence as were the cows and calves, and that if said bull were to suddenly about face my life could flash before my eyes. I quickly decided to drop a gear and get ready to make the sprint of a lifetime. As I got closer I prayed the bull would continue to munch so I took quiet breaths and hoped my chain was oiled and quiet. It was like sneaking up on the Germans at Normandy. I looked down at Mr. Catye and 20 was visible so I quickly computed that Mr. Bull could not outrun me now. Quiet now, .....pedal softly.....don't breath.....ok, I don't see him in the mirror.

### JUST THINKING

1. Have you cleaned and oiled your chain lately?
2. Have you attended an I.V.W. monthly meeting recently? There is no meeting in July, but you could plan to attend in August.
3. The Illinois Prairie Path (from Maywood to Wheaton and beyond) sounds like a neat place to ride. An old Railroad path that a friend says is really nice and has deer and other critters wandering about. About 40 miles it appears.
4. I hate riding in the rain! Cleanup is the pits!
5. Tailwind rides are the greatest!
6. My favorite bumper sticker: IT'S NOT HOW YOU PICK YOUR NOSE. IT'S WHERE YOU PUT THE BOOGERS

## RACE REPORT

The racing season has reached its peak as marked by the Illinois State Road Race Championships on June 14. A superb performance was made by Daryl Johnson who broke away with eleven other riders 65 miles into the 109 mile race. Daryl went on to become the undisputed champion as he dropped his breakaway companions, one by one, in the last 40 miles.

Debbie Bradford of East Peoria took sixth place in a hotly contested sprint for the Women's Championship. After numerous chases and breaks in the Veteran event, I managed a ninth in the final 40 man field sprint.

I would also like to mention this month that it was good to see some local riders at the LeRoy Criterium trying out their skills during the Citizen Races. They placed pretty well and I hope to see more of them in the future. Dennis Tresenriter

### DIANE'S RIDE SUNDAY AUGUST 30

Applications to Diane's Ride have already been mailed to members and riders on previous IVW rides. A ride like this takes a lot of work to put on and we need your help. A sign up sheet was passed around at the May meeting, but we still need lots of volunteers. If you are new to the club, here is your chance to become acquainted with more of the other members. Some of the jobs are quite simple though still very important. Running a food stop requires only making sure everyone gets enough to eat and drink and keeping the coolers filled with water or punch. All you have to do is show up early the morning of the ride and go to your assigned stop. We'll supply all the food and equipment. Other jobs require completing tasks long before the ride. You could be a 'worker' and still ride. Please take the time to put back something into the club and into bicycling.

### BECOME A QUIET HERO

THE ILLINOIS VALLEY WHEELMEN IS NOW A "QUIET HERO" DONOR CLUB". THIS MEANS THAT AS A CLUB WE ARE COMMITTED TO SEND A BLOOD DONOR TO THE RED CROSS WEEKLY. WE NEED EVERYONE'S HELP TO FULLFILL THIS COMMITMENT!

THE RED CROSS DEPENDS ON VOLUNTEER BLOOD DONERS TO ASSURE A SAFE AND ADEQUATE BLOOD SUPPLY. A HEALTHY PERSON AGED 17-65 MAY DONATE BLOOD EVERY 8 WEEKS. THIS MAY BE DONE AT THE RED CROSS CENTER OR AT A LOCAL BLOODMOBILE VISIT.

TO PARTICIPATE, OR FOR INFORMATION, CONTACT JEAN WAYCUILIS (699-1089). SHE IS SCHEDULING THE APPOINTMENTS AND RECRUITING VOLUNTEERS. COM'ON IVW MEMBERS, CONTRIBUTE TO THIS EFFORT!

### IVY DOUBLE EWE T SHIRTS

Our T shirts have come in and if you haven't gotten yours yet, they are available at local bike shops. Special orders are at Russell's Cycle World if you live east of the Illinois River, and at Vitesse if you live west of the river. These two shops as well as Peoria Bicycle Supply on Main St. in Peoria will have additional shirts for sale in a variety of colors.

### JEWEL MOYERS RIDES 200

On Saturday, June 6, 1987 Jewel Moyers took part in the 15th annual Central Double Century in Litchfield, Illinois. He completed the ride in 15 hrs, 23 min. Debbie and Zac supported him on the ride, providing food, water, and encouragement. This is the third year that Jewel has participated in the ride. Immediately after the ride he said he did not know whether or not he would do it again. After a good night's rest however, he appeared to be thinking about the fourth time--'88. The Moyers' team shall follow!! Congratulations Jewel!!!!!!!

SPACE IS LIMITED, SO HURRY!

### W.H.A.L.E. RETURNS

"WHEELING AROUND LAKE EVERGREEN" IS RAPIDLY APPROACHING--AUGUST 1st & 2nd TO BE SPECIFIC. THIS RIDE WILL TRAVERSE FROM THE I.C.C. INTERIM CAMPUS PARKING LOT VIA A PLEASANT COUNTRY ROUTE TO LAKE EVERGREEN (North of Bloomington) FOR A NIGHT OF GREAT EATING (steaks, corn and other goodies or solid and liquid substance), CAMPING (tent and sleep bag), CAMPFIRE SONGS AND STORIES AND OTHER FRIVOLITIES. ON SUNDAY, WE'LL RIDE TO NORMAL FOR BREAKFAST AND THEN RETURN TO THE I.C.C. LOT VIA ROLLING HILLS AND FLATS OF EASTERN TAZEWELL COUNTY. THE RIDE IS LIMITED TO 40 PEOPLE, IS SAGGED, COSTS \$17.00 (payable to Julie Otten by July 11, 1987) AND IS A GREAT TIME. CALL BILL SEMMENS (685-9452) or JULIE OTTEN (674-4773) for reservations.

\*\*\* YES FOLKS, IT'S FINALLY ARRIVED !!! \*\*\*

At long last, after 3 months of (semi)intense part-time effort (and 3 missed newsletter deadlines), with a cast of millions (Hey, who was that goofy guy with the clipboard and maps?), and a cost of thousands (What, the cookies are all gone again?), presenting the second in a continuing series of Eric Hutchison's two-wheeled guides to the greater Peoria area.

(The trumpets blare now.)

This 27 mile loop is an in-town guide to (some of) Peoria's finest attractions (21 in all). Just think, that's almost one great place to stop per mile. That's my kind of ratio. So the next time you hear someone whine, "But there's no place to ride in town" - slap em with this. Now let's hit those streets IVW'ers but, hey, be careful out there. (The H.S. bluers stole it from me.)

ERIC HUTCHISON

#### MAYOR'S PRIDE RIDE

21 OR 27 MILES +

This route to 21 of Peoria's star attractions makes excellent Sunday riding (traffic will be especially light). The basic continuous loops were set up to be ridden in a clockwise direction. Counterclockwise travel is also acceptable, but be prepared to make slight route changes to accommodate a few one-way streets (such as through the parks). For extra mileage, expand the basic 27 mile loop with side trips to Wildlife Prairie and Jubilee College Parks (see points of interest for directions).

When riding the optional route between Lakeview Park and Bradley Park, follow the road signs carefully through the Knolls area on Hollyridge Circle and Bigelow Avenue. It's easy to get off-track since the streets run very non-perpendicular.

Parking facilities for starting locations are available in all the city parks shown. Hopefully, many Peoria area bicyclists will be able to pedal to this route from their homes.

Generally, the route is composed of low-traffic roads, but some extra caution should be remembered as with any city riding. Parked car doors can have an annoying habit of swinging open in your path. When approaching a line of parked cars, scan the rear windows and assume that any occupants are likely to make a sudden exit (into your front wheel). Also, watch out for road debris and tire-eating drainage grates. Remember, real bicyclists ride on the right side of the road and use hand signals. (Save the raised left arm for waving at friends; the clearest signal for a right turn is an extended right arm.) Finally, be among the very chic who are being seen in this year's "in" fashion accessory - the bicycle helmet. (Now appearing in designer colors.)

AWARDS, ANNUAL DINNER MEETING, & CLUB OFFICES

Are you keeping your personal milage logs. The broken saddle is awarded to the member who accumulates the most club miles each year. Keep track of total miles as well. Use the log we provided earlier or use any permanent record. This year everyone who rides will receive some form of recognition.

Other awards are given based on nominations and voting by club members. Some of the awards usually given include 'Hub-Of-The-Club' for service, most improved male and female riders. Others can be considered, so pass on your ideas to Jewell Moyers, this years award chairman.

Those awards will be given out at our annual dinner meeting on Saturday, November 21. Jeannie Gullett(Holloway) is in charge this year. Dinner will likely be at Lake Camelot again unless she gets some suggestions for consideration. Let her know what you would like this year.

Another feature of the annual meeting is the election of new officers. Marty Trumpold is heading up a search committee and if you are considering becoming more active in the club, why don't you give her a call. There are only four elected positions so hurry up and get in line.
